MATERIALS

We believe that great materials lead to great results. That's why we've chosen the **Rise and Shine** and **Wider World** series from Pearson.

- Rise and Shine is perfect for our younger learners. The colorful, story-based lessons and lively characters make learning fun and accessible, helping students build confidence and a love for English.
- Wider World is a dynamic series that uses authentic, real-world content from the BBC. It encourages students to think critically and apply their language skills to topics that are relevant to their lives, preparing them for more advanced communication.

Your child will learn English through:

- ✓ **Engaging Content** : Lessons that capture their imagination.
- ✓ **Real-World Skills**: Practical language they can use every day.
- ✓ **Modern Resources**: Up-to-date topics and digital components.
