

# All On Board Summer Camp

*Locomotives & Transportation ~ Come Alive!*

19th July to 1st August 2026

MAPLE LEAF  
**KINGSLEY**<sup>™</sup>  
INTERNATIONAL SCHOOL  
... PRESENTING A WORLD OF OPPORTUNITIES

# DISCOVER THE FASCINATING WORLD OF LOCOMOTIONS

## Join Us This Summer!

Discover the fascinating world of locomotives through an immersive experience that blends history, technology, and mechanics. With hands-on learning opportunities, designed for all ages, you'll gain a deeper appreciation of how these powerful machines shaped transportation and industry.

# WHY JOIN US?

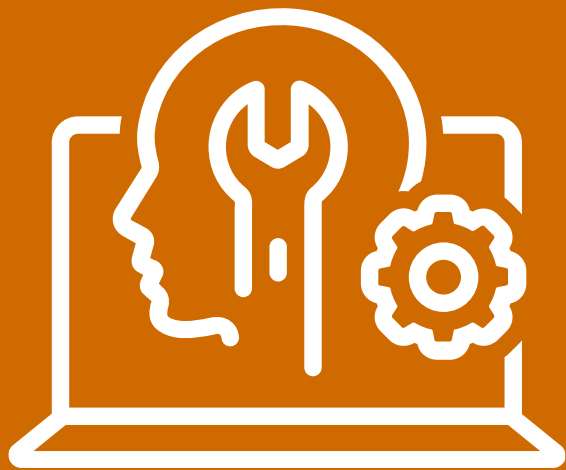

## Experience the Thrill of Locomotives & Transportation

At All-On-Board Summer Camp, participants will dive into hands-on activities, build essential skills, and develop a deeper appreciation for trains and transportations! This immersive programme ensures an unforgettable adventure for all ages.

# LEARNING OUTCOMES

## Skills and Knowledge Gained at All-On-Board Camp

### Technical Skills

Campers will develop essential technical skills related to locomotive operation and maintenance, including hands-on experience with machinery, understanding engine functionalities, and practical applications of safety protocols, preparing them for further studies or interests in engineering.

### Teamwork

Participants will enhance their teamwork abilities through collaborative projects and activities, fostering communication, problem-solving skills, and camaraderie, allowing them to thrive not only during the camp but also in their future endeavors.

# EMBARKING ON YOUR JOURNEY

## Day 1: All Aboard for Adventure

- Arrival (3.00pm) at Annex in Maple Leaf Kingsley International School
- Ice Breaking Session in Boarding .

## Day 2: Step Into the Experience! (Ice Breaking & Introduction)

- Ice Breakers
- Introduction to Locomotives
- Mini Challenge

## Day 3 – Boarding Pass To Discovery (Designing the Locomotives)

- Planning
- Problem-solving
- STEM thinking

## Day 4 – On Track To Learning – Ready To Roll

- Creativity
- Identity
- Aesthetics
- Construction
- Collaboration
- Engineering

# EMBARKING ON YOUR JOURNEY

## Day 5: Grand Locomotives Expo

- Communication
- confidence
- celebration
- Students showcase their projects to peers and instructors.

## Day 6: English Lessons & Activities

Our summer camp combines interactive English lessons with fun sports activities, helping students build language confidence while staying active, healthy, and engaged.

## Day 7: Malacca 1-Day Trip & Day 8: KL 1-Day Trip

A chance to bond together and to experience Malacca's historic heritage sites and experience iconic landmarks in Kuala Lumpur firsthand.

## Day 9: English Lessons & Activities

Our summer camp combines interactive English lessons with fun sports activities, helping students build language confidence while staying active, healthy, and engaged. Horse Riding Activities in afternoon.

# EMBARKING ON YOUR JOURNEY

## Day 10 – 13: English Lessons & Activities

Our summer camp combines interactive English lessons with fun sports activities, helping students build language confidence while staying active, healthy, and engaged.

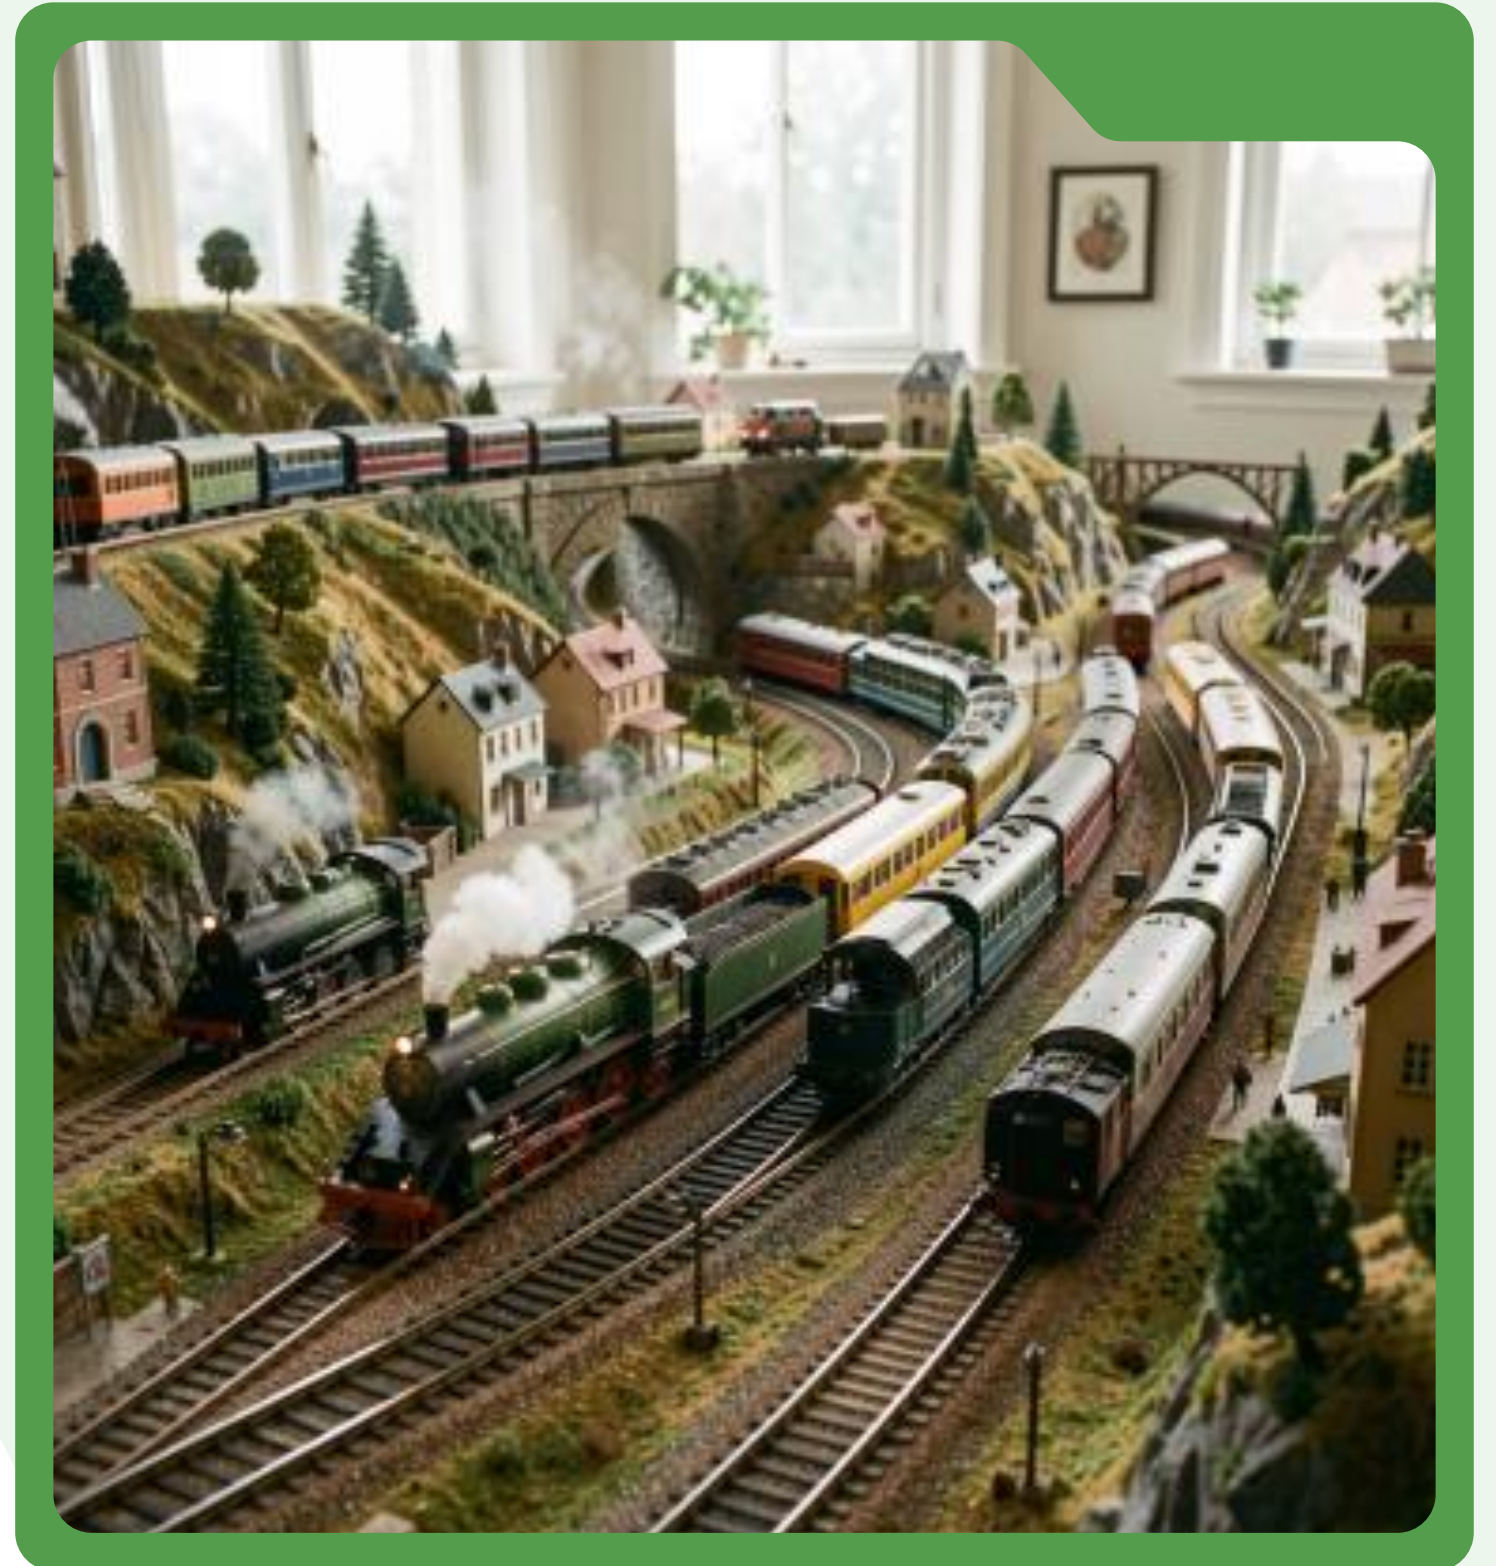

## Day 14: Farewell & Goodbye

- Presentation of certificates to camp participants.
- Checkout from Boarding at 11.00am.
- Departure to home country.

# MODEL BUILDING

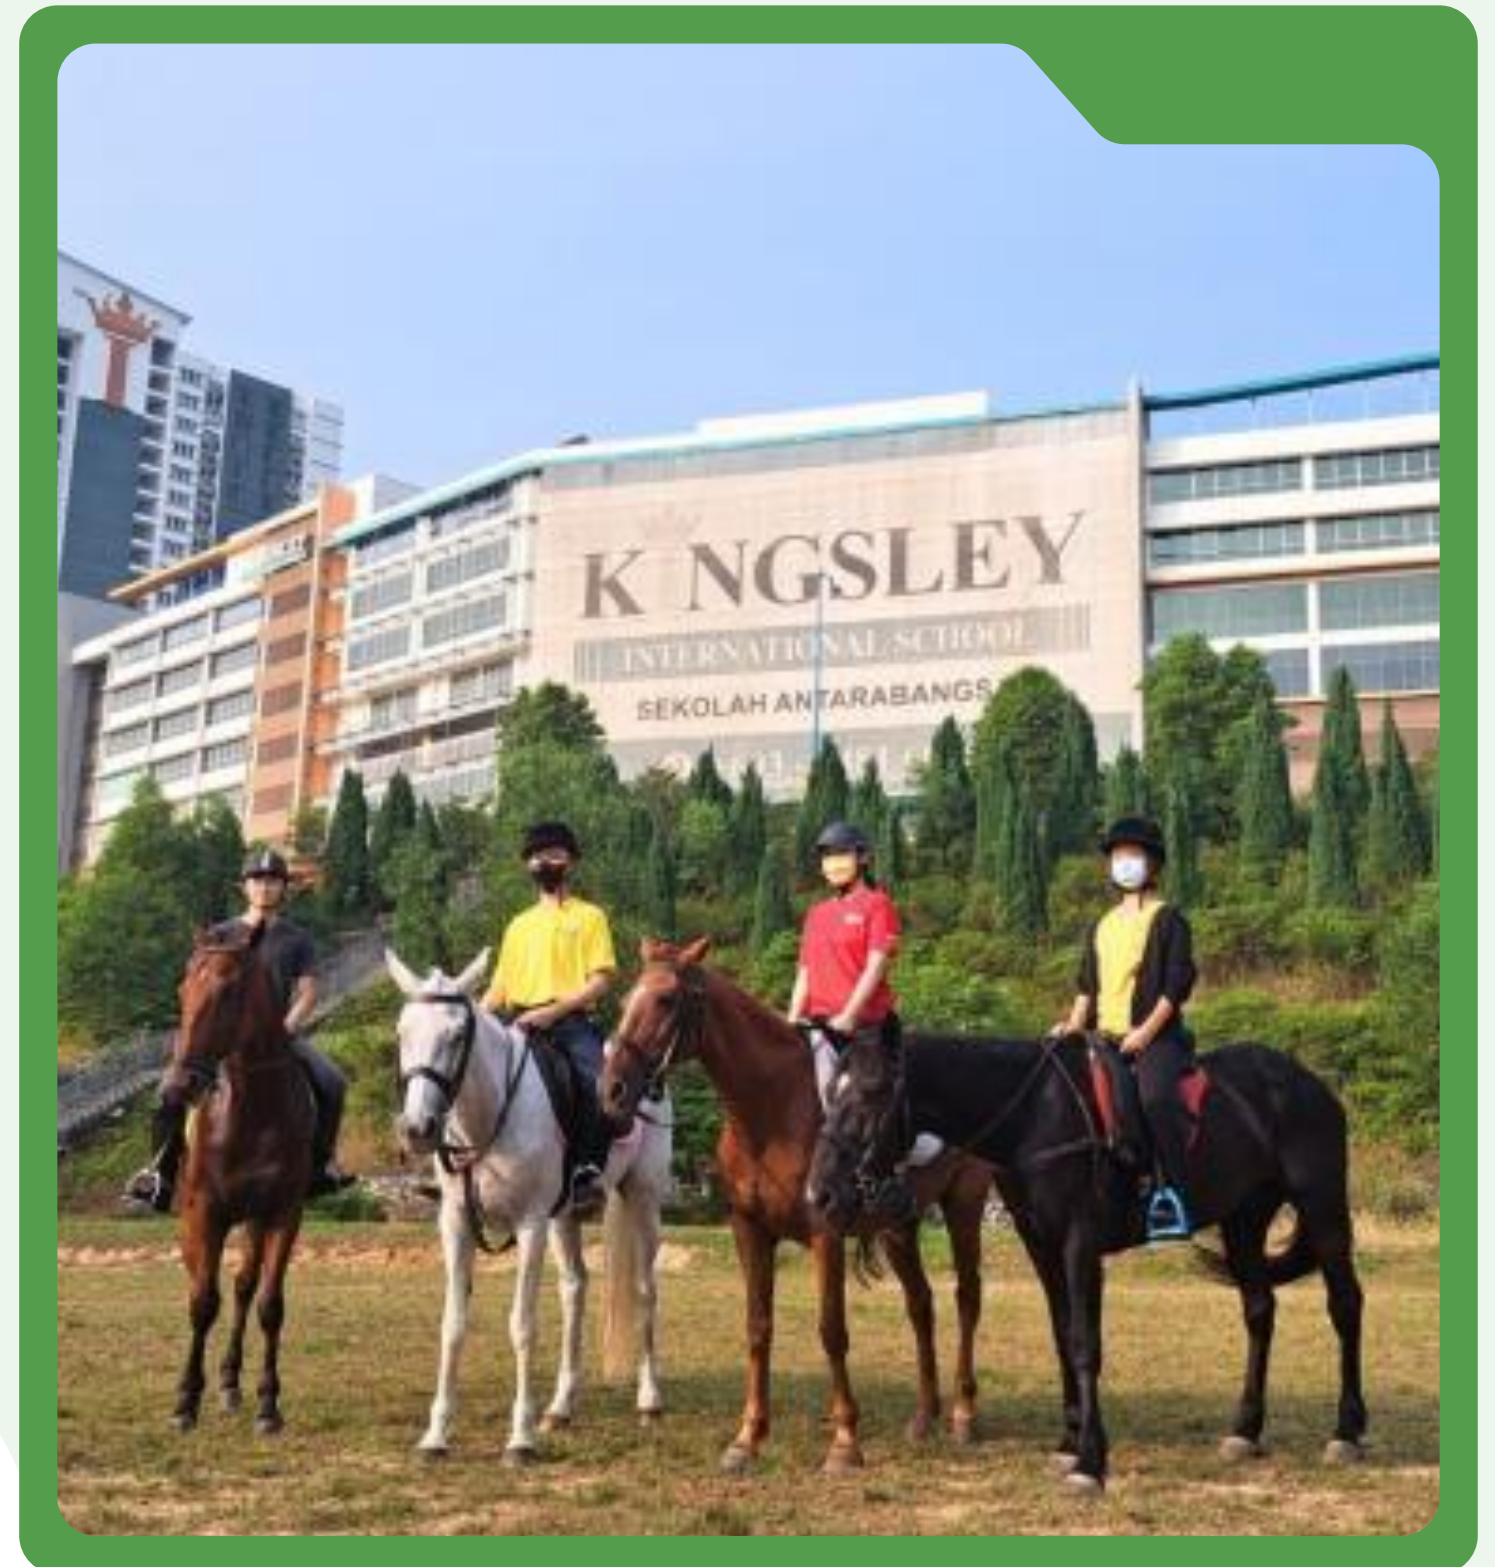

Campers will engage in hands-on model building activities, creating intricate train sets that reflect real-world locomotives. Participants will learn essential skills like design, construction, and simulation, fostering teamwork and creativity while gaining a deeper understanding of train mechanics and operations.

# HORSE RIDING

Our summer camp includes a fun and safe horse riding activity designed especially for beginners.

Students will learn the basics of horse riding, including how to approach, groom, and ride a horse with confidence. Guided by trained instructors, participants will enjoy a gentle riding experience that builds coordination, balance, and self-confidence while connecting with nature and animals.

# FIELD TRIPS

Our camp offers enriching cultural field trips that allow participants to experience Malaysia's diverse heritage firsthand. Weekend excursions include visits to Malacca's historic heritage sites and iconic landmarks around Kuala Lumpur.

# JOIN BEFORE THE LAST SEAT GOES!

**Discover New Knowledge. Explore  
New Adventures.**

- Interactive Learning Experiences
- Build Confidence with Supportive Teachers
- New Friendships
- New Knowledge & Skills
- Grow Academically & Personally

# TESTIMONIALS

Our students rave about the unforgettable experiences at our Summer Camps.

Parents appreciate the engaging curriculum and hands-on activities that foster a love for learning, while students cherish the friendships and skills they gain during their adventurous summer camps.

# CAMP TEACHERS

Our camp teachers are **knowledgeable and dedicated** individuals who bring a wealth of experience in locomotive education and outdoor activities.

They are passionate about trains and committed to providing a safe, engaging environment that inspires campers to explore and learn throughout their journey.

# REGISTRATION

To secure your spot in the Locomotive Summer Camp, please contact our school immediately.

Spaces are limited, and early registration is highly encouraged to ensure a memorable experience for all participants this summer.
