## この夏、IGBISが選ばれる理由

ただのサマーキャンプではありません。未来への準備です。

【信頼】積み重ねてきた実績：教育理念を大切にしながら、年々進化を続けるプログラム。

【本質】IB教育のDNA：  
探究型IB学習を日常に。遊びの中にも、思考・発見・成長があります。

【丁寧】一人ひとりを大切に：  
教師数を増やし、すべての子どもに行き届くサポートを。

# IGBIS 専属の経験豊富なIB教師

*Maria Jose*

**Maria Jose - Design Teacher**

Qualification: **BSc in Computer Science; Teacher Leadership Certificate; Learning Technologies Certificate**

Teaching Experience: **24 years**

Nationality: **Colombian**

Mrs Mora has been in three international schools first in Colombia, and then overseas in Uganda (IB), and Sri Lanka (IB), where she worked as Technology and Design teacher, ICT Coordinator, and Technology Coach for teachers and students from Preschool to Grade 12. Mrs Mora enjoys interacting with students, exploring, and tinkering with a range of tools and materials to support and develop their creativity skills.

*Elli Lawson*

**Elli Lawson - Art Teacher**

Qualification: **B.A. Ed. (Hons) (Design Technology), QTS**

Teaching Experience: **24 years**

Nationality: **UK**

Ms Elli was both a Design Technology and Visual Art teacher for 10 years in Indonesia and the UK before moving to Malaysia. She has taught students in the full age range in both subject areas and thoroughly enjoys all aspects of the visual and creative world. She is passionate about technology and gadgets, good TV series and spending time with her family.

*Hector Vargas*

**Hector Vargas - Design Teacher**

Qualification: **BSc in Economics and Finances, Education Certificate, Certificate for Teaching Leadership, M.B.A. in Education (Globalization and Educational Change)**

Teaching Experience: **20 years**

Nationality: **Colombian**

Mr Vargas joined the educational world after a few years of working in the administrative and financial areas of multinational companies. He taught Humanities and Mathematics in Colombia and Spanish for both the MYP and DP Programmes in Uganda and Sri Lanka. Working overseas has enabled him to get to know diverse cultural traits and amazing landscapes from different parts of the world, acquire new pedagogical resources and improve his teaching strategies.

*Sheena Kelly*

**Sheena Kelly - Art Teacher**

Qualification: **Degree BA in fine art and a Higher Diploma in Art Design and Craft Education**

Teaching Experience: **21 years**

Nationality: **Irish**

Having taught internationally for 13 years in Korea, Mongolia, Malaysia, and the U.A.E. in predominately IB DP schools Sheena advocates for inquiry and personal expression in the art room. As a founding member of staff at IGBIS she is delighted to be returning and reconnecting with the art team and creative students of IGBIS.

*Magnus Drechsler*

**Magnus Drechsler - Assistant Principal & IBDP / CP Coordinator**

Qualification: **M.A. (IELC), B.Sc. (Medicinal Chemistry), PGCE**

Teaching Experience: **17 years**

Nationality: **German**

Mr Drechsler is an innovative and enthusiastic educator, who is passionate about developing learners into successful, responsible global citizens. He is a British-trained teacher, who completed his degree in Medicinal Chemistry and his Postgraduate Certificate in Education at one of Britain's leading Russell Group universities.

*Kui Li Ern*

**Kui Li Ern - Music Teacher**

Qualification: **Master of Education, Bachelor of Classical Music (Hons)**

Teaching Experience: **15 years**

Nationality: **Malaysian**

Kui has been teaching for approximately 15 years. She began her teaching career as a piano tutor in music schools and later developed her passion for classroom teaching at several international schools in Malaysia. Despite being a classically trained pianist, Kui enjoys singing and rapping K-Pop songs as her hobby.

*Ting Chen*

**Ting Chen - Language Coordinator**

Qualification: **M.A. (International Education); PGCE, M.Sc.; B.A. (Language)**

Teaching Experience: **14 years**

Nationality: **China**

Mrs Drechsler taught Chinese to a range of students, from beginner to advanced, in international schools in China for many years. She has taught in both primary and secondary schools and is familiar with English and Chinese national curricula, as well as the IB programmes. Besides her teaching role, Mrs Drechsler also coordinated community service at her previous schools and enjoyed assisting students to develop key life skills through serving the community and people in need around the globe.

*Princess*

**Princess Barcega - Science HOD, Physics Teacher**

Qualification: **Bachelor in Secondary Education (Physics); MAT Physics**

Teaching Experience: **29 years**

Nationality: **Filipino**

Ms Barcega earned her degree in Physics from Philippine Normal University, Manila and earned her Masters Degree in Teaching Physics at Technological University of the Philippines. She was awarded a Japanese Government Scholarship (Monbukagakusho Scholarship) Science Teacher Trainee from Tottori University, Japan. Ms Barcega worked in an international school in Bahrain for six years as a Science Coordinator and IB/IGCSE Physics Teacher before moving to Penang where she taught in The International School of Penang (Uplands) for five years.
