这家中心的英文老师很专业也很有经验。我一开始只能说简单的英文单词，上了课后我能够说完整的英文句子来表达我的想法👍👍 谢谢老师的用心教导，使我变得越来越有信心使用英文了。老师也经常讨论日常生活的课题，让我有机会学新词和用英文说日常使用的句子。★★★★★

My kids and I had a very good experience in MLC during 2 months, I was in the intermediate class while they were learning English for the first time. We met fabulous teachers from different countries, cultures and pronunciation. I've made a big progress in speaking and listening, my daughters also have made a successful first step in English... They can now understand and start to think in English. Thanks a lot for all your support, the team was able to adapt to our requests. I hope that we will find a way to pursue our learning remotely.

I've been studying at Manchester school for 3 Months, I took face-to-face lessons and online lessons. Both were high quality lessons. I'd highly recommend the IEP program if you want to enter the college or university. The teachers are professional, friendly, and kind. They always try to give student a lot of useful information. I met many great people, fantastic teachers, and made countless new friends. Most importantly, my English improved by leaps and bounds, and I was able to further my goals 🎯 far more than I expected. I can't thank them enough 🙏 for the amazing time I had 🏆.
